

Subject: Nutrition Services Coordinator Job Responsibilities

Effective Date: October 1, 2005

Revised from:

Policy: Each Local Agency or clinic must appoint one person to act as the local Nutrition Services Coordinator. The Nutrition Services Coordinator is responsible for the provision and coordination of nutrition services for the clinic. Other local WIC dietitians may assist in the provision of these services. The Nutrition Services Coordinator plans, manages, implements, and evaluates the nutrition components of the WIC Program. This person interprets and disseminates current scientific information regarding food, nutrition, diet and health to professionals working in the local clinic, related health and human service agencies, and the public. The Coordinator functions as the primary author of the annual Nutrition Services Plan.
